Sub:- Regarding NOC & Land for Renewal of Affiliation.

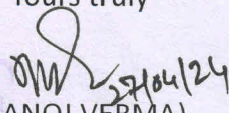

Dear Sir,

This is to bring to your kind notice that St. Francis Senior Secondary school, Anpara Sonbhadra District, UP – 231225, is located in the campus of Anpara Thermal Power Project, owned by Uttar Pradesh State Electricity Board, an UP Government Undertaking. The school caters primarily to the wards of UTTAR PRADESH RAJYA VIDYUT UTPADAN NIGAM LIMITED. The land and infrastructure is provided by the project. Since the school is functioning for the UP State Government employees wards, under 3 (I) , (IV) of the CBSE Affiliation by laws, the condition of NOC should not be applicable for this school. Therefore, this condition may be waived off. It is hoped the above certificate will satisfy your department in place of NOC.

The first affiliation and the subsequent renewal of the affiliations, in the past, were also procured on similar certification. Hence, you are kindly requested to process the renewal of the affiliation of St. Francis Senior Secondary School Anpara.

Thanking you,

Yours truly

  
(MANOJ VERMA)  
MANOJ KUMAR VERMA
